About Us

KABIR EDUCATIONAL SOCIETY

Established in 1999, with the noble aim of providing education to the children of Ayodhya (Faizabad), the Kabir Educational Society is a pioneer institute providing quality education.

The society draws its Board of Directors and Members who have lent their skills & knowledge in formulating the guiding principles, encouraging students to develop their inner self theoretically and practically and also embody the values which draw out our cultural heritage. This combination empowers them to be future leaders.

ACADEMICS AT F.P.S.

Education for life, excellence in education and commitment to a meaningful education are of prime importance. Quality education is provided to each and every child. F.P.S. believes that love for education should be developed in children at initial years and environment should be created for them to pursue a positive approach in life. A uni-directional teaching method is being increasingly substituted by a multi-directional group workshop method. Here the teacher becomes the group coordinator initiating work.

Development of oral and written expression is emphasized upon. Home assignments are not a carryover of class work but oriented towards honing individual talents.

Vision & Mission

To provide a conducive environment and to offer quality, excellent and holistic education that motivates students to discover their talents and strive to reach their potential, hereby equipping them to fit well in society and contribute positively to nation building.

The aim of the school is to help and groom into refined citizens in a positive environment. This is a hope to be achieved through the development of self-confidence and leadership skills through participation in curricular and co-curricular activities.

The congenial ambience enables students to develop analytical abilities and instills the vision for self-motivation, self-analysis, introspection and ultimately prepares them to be a responsible citizens of the world.

Our Curriculum

SCHOOL LIBRARY

The library is well equipped to cater the needs of all age groups

COMPUTER LAB

The school computer laboratory is connected with high speed Broadband connection for Internet surfing under teacher surveillance

SCIENCE LAB

Our spacious science labs are well equipped for children to nurture their inquisitiveness and enhance their scientific quests.

SMART CLASSES

What might otherwise seem dull or monotonous with just text-book studies, becomes bright and captivating in the flash and animation movies, which re-affirm the concepts already taught in class.

SPORTING ARENA

The school has the sports and games facilities like Basketball, Volleyball, Badminton court, Table Tennis court, Cricket & Football Playground.

PLAYROOM IN PRE-SCHOOLS

This bright and colourful area offers an innovative approach to learning that helps the young child to develop knowledge, skills and confidence, with activities thus giving them a firm foundation.

Our Curriculum

SECURITY

There are CCTV cameras installed at all corners of school covering all indoor and outdoor activities of each individuals present in school premises.

CANTEEN

The school canteen operates during the school hours and provides eatables which are delicious and nutritious.

TRANSPORTATION

There are more than 15 buses in the school and providing facility to all our students living in and around the city

CLUBS

The school provides the various clubs to its students which gives them an excellent platform to pursue their varied interests.

School Houses

CANARY

**SONGS OF
VICTORY**

ROBIN

**WINGS OF
VALOR**

FALCON

**VISION OF
GLORY**

WOOD PECKER

**KNOCK OF
CONSISTENCY**

The school students are divided in four different Houses and school calendar-wise co-curricular activities are organized. In these activities there are academic and sports activities. Each child is motivated to participate in total 3 activities, i.e., academic curricular and co-curricular activities. House system develops a sense of belongingness, feeling of brotherhood and sense of responsibility. When a child participates in competitions his confidence develops. If he wins he is motivated, if he loses he learns sportsmanship that is; winning and losing is a part of game. The real thing is learning.

We named the houses after the names of birds that is Canary - for its singing skills ; it's a skilled concertos, Falcon for its incredible flying abilities, Robin for its maneuvers, its melodious singing, Wood Pecker for its amazing physical abilities, wonder that it does not fall off while drilling into tree.

Activities Galore

At Faizabad Public School, Community Service is an essential component of education. Children must be aware of the pain and suffering in the world around them and develop a spirit of social responsibility at a young age. To sensitize them to the needs of the under privileged people in the society many awareness activities are organised in and out of the school.
